EXCELSIOR SPRINGS MEMORIAL AIRPORT

We hope to see you at one unique fly-in! Come participate in the contest, or just come eat chili! Setup for the contest will begin at 12:30pm, so if you are bringing chili to compete, please arrive no later than that time. Judging and eating will commence at 1:00pm. The cost is \$6.00 per person no matter whether you are participating as a contestant or coming to sample chili and judge. You will receive a judging slip when you pay for your food. First place in the contest wins a flight in a Stearman open cockpit bi-plane! As usual, proceeds from this fly-in benefit the Northwest Missouri Chapter of the Antique Airplane Association, including our annual Chapter scholarship. We will also be conducting free flights for kids aged 8-17 beginning at 1pm!

Full details, including contest prizes will be posted at www.thenew3EX.com.
